**Subject:** Proposed Permit Issuance for Roulette Oil and Gas Company

Hello Mr. Rowsey

I am writing in regard to the proposed permit being issued to Roulette Oil and Gas.

I am a representative for the Seneca Nation Environmental Program and we are requesting that the public hearing be held. The Seneca Nation is concerned that contaminants from the disposal well will end up in the headwaters of the Allegany River and pollute our territory.

We would also like to request a formal consultation on the matter. I have reached out to EPA Region 2 representatives as well with our request. Please feel free to call or email with any questions.

Thank you,

Clifford C. Redeye III
